The Heatons

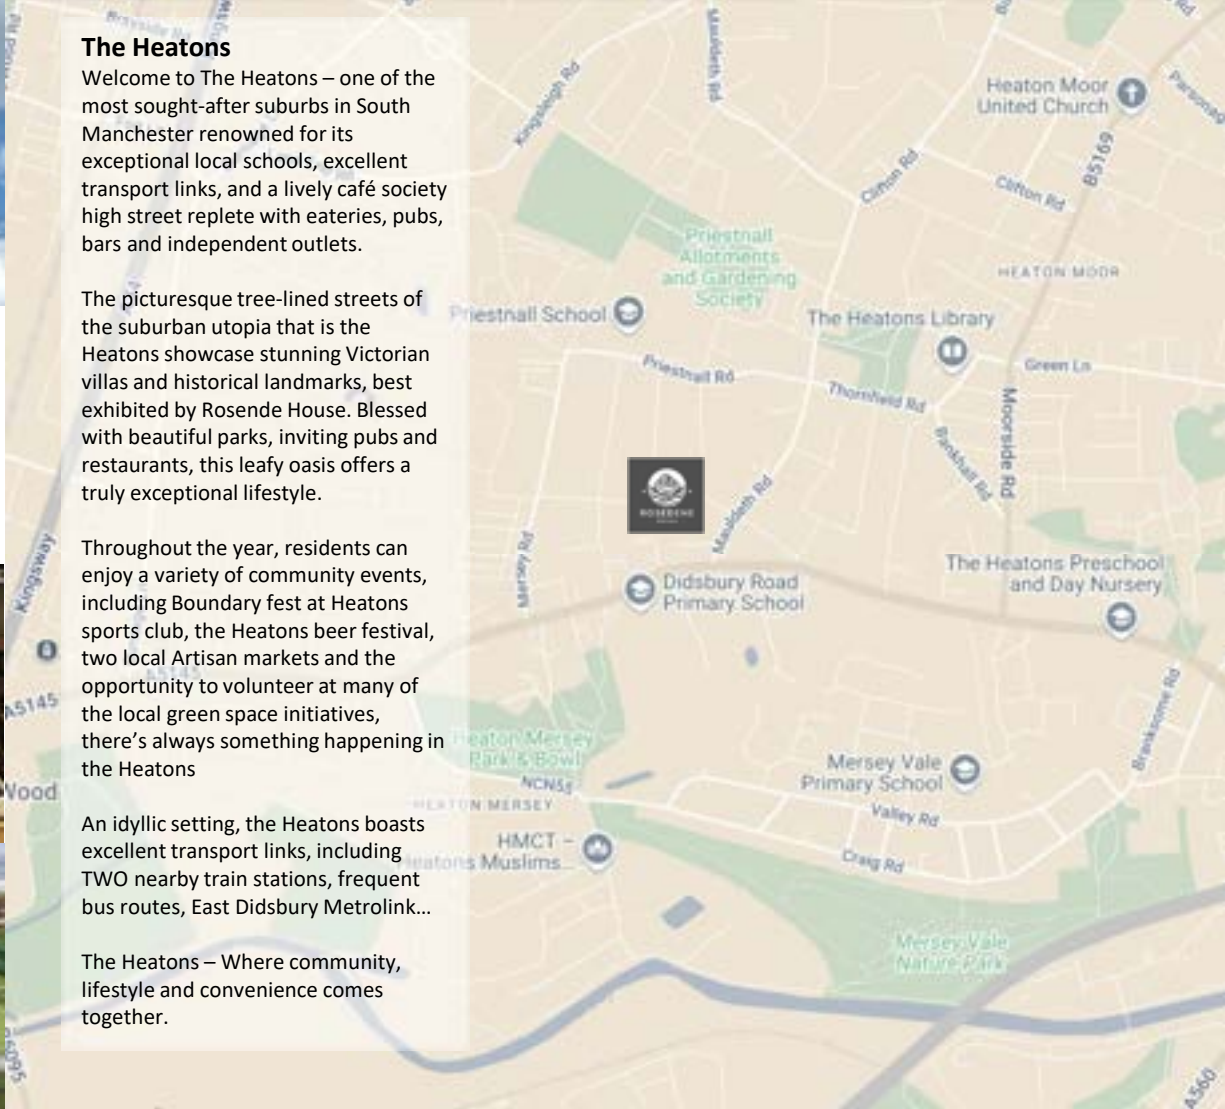

Welcome to The Heatons – one of the most sought-after suburbs in South Manchester renowned for its exceptional local schools, excellent transport links, and a lively café society high street replete with eateries, pubs, bars and independent outlets.

The picturesque tree-lined streets of the suburban utopia that is the Heatons showcase stunning Victorian villas and historical landmarks, best exhibited by Rosende House. Blessed with beautiful parks, inviting pubs and restaurants, this leafy oasis offers a truly exceptional lifestyle.

Throughout the year, residents can enjoy a variety of community events, including Boundary fest at Heatons sports club, the Heatons beer festival, two local Artisan markets and the opportunity to volunteer at many of the local green space initiatives, there's always something happening in the Heatons

An idyllic setting, the Heatons boasts excellent transport links, including TWO nearby train stations, frequent bus routes, East Didsbury Metrolink...

The Heatons – Where community, lifestyle and convenience comes together.

About Armistead Property

Armistead Property is a development company based in Manchester, specialising in the renovation and sale of homes in and around the city. With over 15 years of experience, we have a passion for restoring beautiful period homes, with a particular focus on large Victorian conversions, and turning them into high-end, self-contained flats.

Our Network & Associates

We have built a strong network of professionals, including contractors, structural engineers, architects, lawyers, and property managers, all of whom are essential to our success. We also maintain an excellent relationship with City Councils, where we are recognised as an approved builder.

What We Do

As an award-winning developer, Armistead Property focuses on acquiring buildings with exceptional potential. We refine, refurbish and revamp these properties to the highest of standards, enhancing their layouts and ensuring they meet the demands of modern living. For over a decade, we have consistently followed this successful business model, resulting in the purchase and sale of over 250 homes.
